Verse:

Who can it be knocking at my door?

Make no sound, tip-toe across the floor.

If he hears, he'll knock all day,

I'll be trapped, and here I'll have to stay.

I've done no harm, I keep to myself;

There's nothing wrong with my state of mental health.

I like it here with my childhood friend;

(vocal up an octave)

Here they come, those feelings again!

Chorus: 2X

B A

Who can it be now? Who can it be now?

Bridge:

Em

Is this the man come to take me away

A

Why do they follow me

Em

Its not the future, that I can see

A A Asus4 A5

Its just my fantasy
